## Use of Cookies

This website, can use cookies (small text files that the server sends to the computer of whoever accesses the page). It is a technique commonly used on the Internet to carry out certain functions that are considered essential for the proper functioning and visualization of the site. The cookies used in the website have, in any case, temporary nature with the sole purpose of making its subsequent transmission more effective and disappear at the end of the session of the user. In no case will the cookies be used to collect personal information.

From this website, you may be redirected to content from third-party websites. As G&SILK can not always control the content entered by third parties on its website, it does not assume any responsibility for such content. In any case, it undertakes the immediate withdrawal of any content that could contravene national or international legislation, morality or public order, proceeding to the immediate withdrawal of the redirection to said website, bringing to the attention of the competent authorities the Content in question.

**If you continue browsing this website, we assume that you accept the use of cookies.**

## Personal data protection

G&SILK complies with Spanish regulations on the protection of personal data, and guarantees full compliance with the obligations laid down in Organic Law 15/1999 of 13 December on the Protection of Personal Data (LOPD), the Royal Decree 1720/2007, of December 21, approving the Regulations for the development of the LOPD and other regulations in force at any time, and ensures the correct use and treatment of the user's personal data.

## Anti-spam policy

This website declares itself completely against the sending of unsolicited commercial communications and to any type of behavior or manifestation known as "spam", also declares itself committed to the fight against this type of abusive practices.

Therefore, it guarantees the user that in no way will the personal data collected on the website be transferred, shared, transferred or sold to any third party.

For the same reasons, the registration process should not be used to enter email addresses of third parties without the express consent of the affected persons.

In the event that a user receives communications from this website without having registered,
